

Anguilla, B.W.I. www.aarf.ai

The AARF logo shows three animals on a yellow life raft: a small black and white kitten, a larger brown dog with a collar (a symbol of good animal care practice) and a small black and white dog.

Gray clouds suggest an urgent need to find good homes for these animals.

The raft (floating on blue waves representing the Caribbean sea surrounding Anguilla) shows that these animals have protectors in AARF and its many supporters.

Finally, the sun peeks out from behind the clouds, signifying hope for these deserving animals.
